
Spirit Event Fact Sheet

So What Is A Spirit of Lifeplus Event?

The Spirit of Lifeplus is our main flagship event each year, bringing together thousands of Lifeplus partners from all around the world. It's a celebration of our community's achievements, and of the amazing things people can do when inspired to explore their potential for a happier, healthier life.

The event is open to anyone, whether partners, family or friends. It's a chance for people across our network to meet and catch up, and for new friends to come along and learn about the opportunities Lifeplus can offer them.

During the day, members of the Lifeplus Executive share the history of Lifeplus, their own personal journeys along the way and our vision for the future, along with the latest company news and updates.

Partners from all different walks of life share their own Lifeplus experiences about the positive change they've been able to achieve in their lives and inspire in others too. These stories are at the heart of Lifeplus, and are always a highlight for attendees old and new.

We've also added more to our schedule with our popular interactive exhibitions, a fun way for our attendees to discover inspiration and ideas on practical steps anyone can try improve their own wellbeing.

Of course we like to end with a night to remember - our evening dinner and celebration! Always memorable, and always hugely popular – those who buy an evening ticket enjoy dining, drinks and dancing to ensure their weekend ends in style!

We're excited to announce that The Spirit of Lifeplus is returning to the Stuttgart Messe in Germany on Saturday 21st May 2016!

More information will be available soon, but for now save the date so you can enjoy this amazing experience with us!

Are you planning on joining us? We really hope so!
